

Fairtrade Fortnight 2021

What does the world you want to see look like?

This Fairtrade Fortnight, we're focusing on the choices we all make every day. Share your vision of the world you want for our Fairtrade window display in the NK New Halls from 22 February to 7 March. Paint, draw, cut out pictures or write a poem and post your masterpiece through the New Halls door or email to mail@nkchurch.org.uk by 21 February.
